174. Mrs. BOO alias AH HYOH, Formosan, Penang Jail  
TOH GAIK HEOK

Unit -

Ever since the Allied re-occupation, this woman has been travelling up and down Malaya in an apparent endeavour to avoid arrest which she doubtless suspected owing to her alleged activities during the Jap regime. She is known as one of the two "Hooded Terrors" of Penang (the other "Hooded Terror" is already arrested and lodged in Penang Gaol) From info obtained locally, it is believed she was in Penang over the Chinese New Year at the beginning of Feb 46 and is believed to have left for Singapore by train taking with her Boo Chay her younger son. But there is no proof of this. She is the wife of Dr. Boo who has been located in MacArthur Camp and is himself being transferred to Taiping Jail shortly.

Description:

Very tall. Believe 5'6". Slim. Has a long thin face. Very deep set eyes. Irregular wide mouth. Hair short and done in Western style with a bob. Age between 35/40 years. Speaks pure Amoy dialect, also Japanese, and has a fair knowledge of English. When she speaks the local Hokkien dialect, she apparently does so with an Amoy accent. Mother of 4 children (present whereabouts not known); believe 2 boys and 2 girls. Elder girl named Tong Wan or Yeoh Teen. Youngest child a boy about 5 years, named Boo Chay.
